

**OWP Ladies: Expressive shape
Style 2235**

The deep square style 2235 makes a statement with an expressive shape and artistic details. The Art Deco style temples with coloured accents add a touch of elegance to the frame. The front and temple tips made from OWP Signature Acetate deliver the highest quality and a harmonious finish.

The OWP ladies' collection represents attention to detail and superb design. Whether they are feminine and vibrant or timelessly elegant – every one of our creations stands out thanks to its unique character and, as such, is the perfect statement piece for fashion-conscious women.
