

**OWP Men: Fashionable men's style
Style 7524**

Fashionable men's style made of acetate in a trendy square shape. An extraordinary metal decoration on the temple adds a sophisticated touch. The clear lines allow space for a high-end spring hinge and give the style its elegant character. The high-quality surface finish complements the look perfectly.

OWP men's styles concentrate on quality materials, technical sophistication and maximum comfort. They are perfect for even the most demanding spectacle wearer, someone who also looks for top quality products when choosing their glasses.
