

**OWP Men: Classic metal round frame
Style 8624**

Style 8624 presents itself as a classic metal round frame with a half-rim. Fine temples with line décor and spring hinges ensure a perfect fit and comfort. Cool and, in parts, colourful highlights give the frame a fresh look.

OWP men's styles concentrate on quality materials, technical sophistication and maximum comfort. They are perfect for even the most demanding spectacle wearer, someone who also looks for top quality products when choosing their glasses.
