

**OWP Ladies: Modern retro vibe
Style 2232**

Style 2232 presents itself as a deep square with an interesting shape. The Art Deco style temples with their cool colourful accents give the frame a modern retro vibe. The front as well as the temple tips, made of Signature Acetate, round off the exclusive look.

The OWP ladies' collection represents attention to detail and superb design. Whether they are feminine and vibrant or timelessly elegant – every one of our creations stands out thanks to its unique character and, as such, is the perfect statement piece for fashion-conscious women.
